

2024/2025 Thetford Rec Athletic Officials Info

Requirements, Forms and Payment for Athletic Officials

If you'd like to be a referee or umpire for Thetford Rec, please fill out the following forms.

- [W-9](#)
- [Vermont Agreement for Athletic Officials](#)

A W-9 must be turned at the Town Hall ahead of when you are going to work as a referee or umpire so that your information can be put into the system in order for you to receive a paycheck. If you've already done a W-9 for The Town of Thetford, then we should have you in the system already. The Vermont Agreement for Athletic Officials form must be turned in at the Town Hall after you've worked whatever number of days within one month (in other words, no matter if you work 1 or 8 days in the same month, include the days you worked for that month on one Vermont Agreement form and turn it in).

Paychecks must go through an approval process at Town Hall before they are approved and sent out.

The payments are quite different based on the sport season. Please see details below.

Basketball Referees:

- Receive \$35 per game no matter your age/experience.
- Must be in high school and at least 14 years of age or older.
- Ideally, we should have a teen with an adult vs two teenagers refereeing together at the same game.

Baseball/Softball Umpires:

- Must be in high school and at least 14 or patched.
- Receive pay based on the table below:

	Unpatched umpire	Patched umpire
alone	\$75	\$100
2 umpires together	\$50	\$75

Soccer Referees:

- Must be in at least 9th grade.
- Receive \$20 per game no matter your age/experience.
